

Lehigh County Republican Committee

Dear Perspective Chairman's Club Member:

The Lehigh County Republican Committee is excited to start 2021 by announcing the formation of a Chairman's Club. The Chairman's Club is designed to deliver the financial support and advice necessary for us to be successful in local elections this year and to provide us with a way to recognize those who help make that happen. The Chairman's Club is a donation-based membership group and your participation will enable our Republican Party in Lehigh County to:

- Help elect Republican candidates at the local level who will uphold our party's values.
- Support our efforts to spread our party's positive message.

You can become a member of the Chairman's Club by making a one-time annual donation or by scheduling recurring auto-payments for your desired level of membership for ten consecutive months (February 2021 through November 2021). We plan to use all the money raised by membership in the Chairman's Club to help pay for the technology, staffing, mailers, slate cards and other items needed to help get our Republican candidates elected at the local level and to promote the Republican party. All income and expenses associated with the Chairman's Club will be reflected in a separate report prepared by the Committee's Treasurer and that report will be provided to all Chairman's Club members quarterly.

On behalf of the Lehigh County Republican Committee, I would like to personally thank you for your support and I look forward to seeing you at our events throughout the year.

Sincerely,

Glenn Eckhart

Chairman
